Dot and Dash Challenge: Silly Sentence Making

- Get connected to the robots! Make sure your iPad has its Bluetooth turned on.
- Spend time exploring the puzzles.
- Place your robot on the starting block.
- Choose a color and code to that block.
- Collect the word on that square.
- From that block code to another color and repeat the process.
- You should end with 1 green (noun), 1 blue (adjective), and 1 red (verb).
- Using those words, write a complete sentence on the board.

Questions to consider:
What does a good sentence have?
Does your sentence make sense?
